CLARENDON TOWN BOARD

Meeting Highlights - MAY 2023

Councilman/Deputy Supervisor Allen Robinson commended the office staff at the Town Hall and thanked them for helping him fill in for the Supervisor while he was away.

HIGHWAY/WATER DEPARTMENT REPORT

Superintendent Tracy Chalker reported that the truck preparations are finished; plows are off, etc. There have been three burials in Hillside Cemetery this month. Eight hundred ton of crusher run has been brought in for shoulder work. Powerline Road has been paved between Route 31A and Hindsburg with help from the Town of Albion; work share program. Shoulders will be replaced. Lawn restoration from plow damage is finished. Town properties continue to be mowed; work has been done in the cemeteries. Truck 404 was taken to Gerber Collision to repair the wing damage done during the Christmas storm; Truck 402 needs the drive shaft rebuilt. The Clarendon Highway crew helped the Town of Shelby with paving Main Street in Medina and the Shelby Town Hall parking lot; work share program. Multiple deer have been picked-up roadside. Routine waterline and testing maintenance continues. 124 red tags were hung for non-payment of water bills; this cost the town 12-man hours and fuel. Superintendent Chalker will attend highway training in Ithaca from June 5-7, 2023. The governor has increased CHIPS funding for the towns; Clarendon will get a total of \$18, 616.02 which will chipseal ¾ of mile of road. Two road barriers and bump signs have been stolen off Powerline & Hindsburg Roads. Superintendent asked that anyone with information about the theft to please contact him. It has been a busy month.

PLANNING BOARD REPORT

Chairman Dave Griggs submitted the following report:
04-28-2023 (Regular Meeting) - Meeting canceled due to insufficient agenda items. **05-09-2023 (Regular meeting)** **SP-22-01 All American Diesel – Special Use Permit Renewal**, 5267 County Line Road. Inspected, Fee paid, No outstanding complaints. A motion was made, seconded and approved to approve renewal.

SUPERVISOR REPORT

Supervisor Richard Moy thanked all for keeping business running smooth while he was gone. He appreciates knowing that Clarendon has such capable people working for the town.

CORRESPONDENCE

NYS Comptroller has sent a report for local governments regarding adapting to climate change. This document is available for review upon request in the Clerk's Office. Traffic diversion proceeds have been received in the amount of \$2,111.00 for the first quarter in 2023. NYS Department of State has sent information regarding the NY Consolidated Funding Program. Supervisor reported that upon review of the programs available, nothing appeared to relate to Clarendon.

OLD BUSINESS

The Town Board adopted a Resolution adopting the proposed zoning ordinance amendments. Supervisor Moy gave an update on progress of Water District No. 14. MRB Engineers told him that the income survey was completed and that Rural Development was not accepting applications. Supervisor Moy contacted Rural Development and was told they have received nothing for WD#14. Supervisor called MRB back and relayed the message; the company that was to do the income survey hadn't completed it. Supervisor Moy will attend a zoom meeting regarding uses of ARPA funding. The town needs to allocate funds to projects by 2024 and monies need to be spent by the end of 2025. There is currently \$226,000 left to spend. General discussion was held regarding possible uses including a new salt shed and equipment (mini loader with extended boom). Superintendent Chalker stated that a new salt shed meets requirements for a grant application and informed the board that this fall, he will be asking to replace the 2011 Mack dump truck. He still has not received delivery of the new pick-up truck. The Town Board adopted the 2023 NYS Retirement Standard Work Day & Reporting Resolution.

This is a familiar sight on Route 31A in Clarendon by the Heron Falls Manufactured Home Park at this time of year. Please be watchful when traveling through that section of highway. There are ponds on both sides of the road and the geese cross over from one to the other.

TID BITS

Reprinted from June 2011
Geary (Moose) Shenck

GREETINGS and A Hearty Hi Ya to you all !!! Common sense is the most evenly distributed quantity in the world. Everyone thinks he has enough! *Spring is an excellent reminder that I was supposed to get in shape before Spring.* Two hats are on a hat rack when one says to the other, "You stay here. I'll go on ahead." *The windshield wiper and tail light had a staring contest. Who won? The windshield wiper. The tail light couldn't stop blinking!* "Honey, I have good news and bad news" a woman tells her husband. "What is it?" he asks. "First, I think I'm losing my voice" she croaks. "So?" her husband says, "What's the bad news?" *Two women appeared in court, each accusing the other of causing trouble in their building. "Let's get to the evidence" the judge said in an effort to end their bickering. "I'll hear the oldest woman first." The case was dismissed for lack of testimony!* A man entered the local paper's pun contest. He sent in ten different entries hoping that at least one of them would win. Unfortunately, no pun in ten did. *A guy came into a local bar one night with two black eyes. "Wow" the bartender said, "Who gave you those beauties?" "Nobody. I had to fight like crazy for both of them!"*

This Month's Riddles:

1. What do you call a receptionist in a beauty salon?
2. Why are frogs so happy?
3. What did the left sock say to the right sock?
4. How did they know Dracula was broke?
5. If Joy is the opposite of Sorrow, what is the opposite of Woe?

One day Mother was out and Dad was in charge of their two-year-old daughter. She had gotten a little tea set and it was one of her favorite toys. Dad was in the living room reading the paper when she brought him a little cup of tea, which was just water. After a few more cups of tea and lots of praise for such yummy tea, Mom came home. Dad made her wait in the living room to watch their daughter bring him a cup of tea because it was just the cutest thing! Mom waited and sure enough, she came down the hall with a cup of tea for Daddy and she watched him drink up. Then Mom said (as only mothers would know), "Did it ever occur to you that the only place she can reach to get water from is the toilet?" *Her first day at the convent, the anxious new nun started biting her nails. After trying to quite by force of will, self-help books and even hypnosis, she finally turned to the Mother Superior for advice. "Change your clothes" came the response. "But how will that help?" "Simple" Mother Superior said, "You've got a bad habit!"* I asked my wife if she wanted to renew our vows. She got so excited – she thought they were expired. *I see a sign that says "Caution, small children playing". I slow down and then it occurs to me. I'm not afraid of small children.* **Bill:** When were you married? **Bob:** Fifteen years ago. **Bill:** You must be very sentimental to still be watching you and your wife taking your vows after all these years. **Bob:** Yes, it still chokes me up to hear her say "Yes" for the last time.

A lady opened her refrigerator and saw a rabbit sitting on one of the shelves. "What are you doing there?" she asked. The rabbit replied "This is a westing house isn't it?" To which the lady replied, "Yes". "Well," the rabbit said "I'm westing." (Sorry. Couldn't stop myself! I hope you all had a wonderful Easter.) Is it MALE or FEMALE? **Hammer** – Male, because in the last 5000 years, they've hardly changed at all and are occasionally handy to have around. **Remote Control** – Female. **HA** – you probably thought it would be male, but consider this: it easily gives a man pleasure and he'd be lost without it!! **Web Pages** – Female, because they're constantly being looked at and are frequently getting hit on. **Trains** – Definitely Male. They always use the same old lines for picking up people. **Egg Timers** – Female, because over time, all the weight shifts to the bottom. **ON PARENTS:** "Sparents" are those who spare the rod. When offspring need attention, they find their troubles multiplied in ways too sad to mention. The behavior of some children suggests that their parents embarked on the Sea of Matrimony without a paddle. The trouble with being a parent is that by the time we're experienced, we're unemployed. Do not handicap your children by making their lives easy. Just about the time you think your problems are all behind you, you become a Grandparent.

ON MARRIAGE: A man who gives in when he is wrong is wise. A man who gives in when he is right, is married. When a man and woman marry they become one. The trouble starts when they try to decide *which* one! There are two periods in a man's life when he doesn't understand women – before and after marriage. Woman to Marriage Counselor: "That's my side of the story. Now, let me tell you his." Adam and Eve had an ideal marriage. He didn't have to hear about all the men she could have married and she didn't hear about how well his mother cooked!

ON EXPERIENCE: He who stumbles twice over the same stone deserves to skin his shins. Experience should be a guide post and not a hitching post. Don McNeil wrote: "Experience may be the best teacher, but the one I had in grammar school was much prettier." Scott Adams said no matter how many times he visits New York City, he's always struck by the same thing; a Yellow Taxi Cab.

Clay Harrison wrote:

When words begin to fail you a simple hug will do
To lighten someone's burden and give them hope a new
Heartaches often leave us speechless with nothing wise to say
Just *being there* speaks volumes and friends can save the day.
We can cry with those in mourning and hold each other tight
For Joy comes in the morning if we make it through the night.
Tears shared are not as bitter as teardrops cried alone
For friendships soil is fertile for seeds of kindness sown.
Love can expedite a healing and faith can light the way
When words begin to fail you God taught us how to Pray.

That's it for this time. Have a great month!

**Adios and God Bless,
Geary (Moose) Shenck**

Every now and then, a person with no agenda, no ulterior motive and no self-interest will take pleasure in helping you to succeed, grow and live your purpose.

This person will operate in love, will seek no praise and will want nothing in return.

This person is a gift. 😊

JAK, THANK YOU FOR YOUR SERVICE!!

Jak Kohmann is a Clarendon resident and has been involved in the Boy Scouts for over twenty years. He has gone above and beyond what most people would do for the young men who have been in troop 59 under his leadership. Long after his own son Derek attained his Eagle Scout requirements, Jak was still involved for many years. This will be his last year as scout master as he will be retiring.

He doesn't just show up, he pushes the boys to work hard and be responsible. He rolls up his sleeves and works side by side with them. He expects great things from them and in turn they respect him and show him that all their hard work is meaningful and appreciated.

I have been involved in helping the troop since 2008 and anytime I ask for help, Jak and his troop were there at the ready. We in Clarendon have been so fortunate to have people like Jak, take interest in our youth and show them that scouting can help them in every aspect of their lives. Even now when help is needed the boys who have come and gone will still show up for Jak when there is a project to be done.

In a world where people are worried about themselves most of the time, we have people like Jak who give and give in any way they can to make a difference. Most of the time these folks are under appreciated and over worked, but they are still the first ones to pitch in and take on things to help the community.

Prepared. For Life.®

They sure don't make them like Jak anymore.

*Jak Kohmann with some of his Eagle Scout recipients

2023 Town of Clarendon COMPREHENSIVE PLAN REVIEW SURVEY

The Town of Clarendon is working on an update to our Comprehensive Plan, which is a document that guides and controls future growth and development in the community. Public involvement is an important step in updating the Comprehensive Plan. We would like our resident's opinions reflected in our Comprehensive Plan. The survey is available to be downloaded on our website: <https://townofclarendon.org>, at the Town Clerk's office, and at the post office. If you would like a copy mailed to you, please contact the Clerk's office at (585) 638-6371 ext. 100. Please complete the survey and return no later than June 30, 2023. Completed surveys may be dropped off at the Town Hall during regular business hours, dropped in our drop box located to the west of the Town Clerk office door or returned by mail to Town Clerk, P.O. Box 145, Clarendon, NY 14429.

A Contented Mind

by Eric Weatherbee copyright 2023

This life we lead is laced with burdens and sorrow, often subtly disguising the promise of tomorrow. Where is the light at the end of the tunnel? Does it truly exist or are we spiraling downward within this cosmic funnel! Where do we turn in our hour of need? When the light grows dim, how do we proceed? Where is that safe harbor that we long to find? The answers lie within ... A Contented Mind.

As I view the world through technology's tools, I often question, "Who are the intellects? Who are the fools? Violence and mayhem seem to rule the day and yet for this ... "Vile entertainment" we dutifully pay!! Television and cameras, computers and phones have enslaved our minds, and invaded our homes! "The whole world's a stage", I remember that line and as electronics scramble my brain I seek ... A Contented Mind.

Turn off the tube, put the phone in a drawer, pick up a good book and let your imagination soar!! Get out of doors, take a walk in the woods, ride your bike through the park, it'll do your heart and mind good. Tune into life as our Creator intended, break the chains of technology, and let your senses be mended. See for yourself perhaps for the first time. Listen to the silence and open your mind.

Let nature embrace you and soothe you as a healing balm.
Allow your spirit to guide you and your mind to go calm.
For as we voyage upon the oceans of time, let us seek fulfillment with ...
A Contented Mind.

The Town of Clarendon Highway Department has been awarded a full work zone package by the New York State LTAP Center-Cornell Local Roads Program as part of a grant from the NYS Governor's Traffic Safety Committee. Work Zone Safety Equipment is awarded top agencies who are in need of replacement equipment due to unforeseen circumstances.

Superintendent Chalker wrote a letter of application for the 2023 Work Zone Equipment Package Competition. This competition is for NYS highway and public works departments that have lost, damaged or are in need of work zone equipment. This year's grant from the Governor's Traffic Safety Committee, allows the NYSLTAP-CLRP to purchase 28 work zone packages containing vests, hard hats, whistles, stop-slow paddles, roll up signs, sign stands and cones. Each work zone package comes to just over \$1,900. Five additional agencies will obtain a set of safety vests, stop-slow paddles and whistles for their flaggers.

**2021 Annual Drinking Water
 Quality Report**

The Town of Clarendon 2021 annual Drinking Water Quality Report is available for review. Copies are available at the Town Clerk's office during regular office hours. The report is also available on our website: townofclarendon.org; under 'departments' tab, select 'highway/water department', scroll to the bottom of the page and select '2021 Annual Drinking Water Quality'

Riddle Answers:

1. A hair-traffic controller
2. They eat whatever bugs them
3. Are you my sole mate?
4. He was always putting the bite on people
5. Giddyup!

**Clarendon Lions
 Club**

CLARENDON LIONS CELEBRATE 25 YEARS!

This year, the Clarendon Lions Club is celebrating 25 years of service! Yes! The sausage sales, geranium sales – we even used to have a section of 4th Section Road to keep clean! Have you wondered what the Lion's clubs are all about? Above all, we are here for you in a time of need. Lions' clubs are here to serve their communities, especially for sight and hearing impairments. Helen Keller was the initiator of the club, seeking help for her disabilities. Born in Tuscumbia, Alabama, USA, in 1880, Helen Keller developed a fever at 18 months of age that left her blind and deaf. With the help of an exceptional teacher, Anne Mansfield Sullivan of the Perkins School for the Blind, Helen Keller learned sign language and braille. A few years later, she learned to speak. As an adult she became a tireless advocate for people with disabilities. And in 1925, she attended the Lions Clubs International Convention and challenged Lions to become "knights of the blind in the crusade against darkness." The Lions accepted her challenge and our work ever since has included programs aimed at preventable blindness.

Our Lion's club's Don Knapp collected 646 pairs of glasses this year from various collection sights. These glasses are used to create new glasses for sight impaired people.

We fund and entertain children (and adults!) at the Holley Community center at Easter and other holidays.

We contribute thousands of dollars – that you've given through our efforts – to various organizations centered on blindness and health and welfare issues.

We have a Little Free Pantry at the Town Hall for those in need of food in hard times.

We support our local businesses, including the Holley Free Community Library. Here, our club President, Kevin Johnson is donating funds to the library.

**THANK YOU
 FROM THE
 CLARENDON
 LIONS CLUB!!
 WE'LL BE SEEING
 YOU AROUND
 TOWN!**

We meet every second and fourth Wednesday of the month Sept-June at the Disciples United Methodist Church on Route 237 in Clarendon; Pot luck at 6:30, meeting at 7:00PM. Please join us! Contact Tom Persia for membership information at 489-9074.
