## COMPREHENSIVE PLAN

Thank you for those who have taken the time to complete and return the Comprehensive Plan Survey. Your input is important to the Governing Board of the Town. In some of the surveys, issues of concern have been forwarded without name or address of the resident submitting the comments. I urge you, if you have a concern or problem with the town operations, please contact me to discuss it and be given an opportunity to explain things. I am at the Town Hall weekday mornings (585) 638-6371 ext. 105 or my cell number is 585-261-5292.

Thank you. Richard H Moy, Supervisor

REMINDER: Electronic waste will not be picked up roadside with the garbage (electronics, cords, Christmas Lights, TVs). These items can be dropped off at the T/Murray Highway Garage located at 3840 Fancher Road.

Orleans County Hazardous Waste Day is scheduled for August 12, 2023. You can begin to register on June 26<sup>th</sup>. There is limited registration. Call

Orleans County Planning Dept for information at 585-589-3198.

**Independence Day (the Fourth of July)** is a federal holiday in the United States commemorating the Declaration of Independence, which was ratified by the Second Continental Congress on July 4, 1776, establishing the United States of America. The Founding Father delegates of the Second Continental Congress declared that the Thirteen Colonies were no longer subject (and subordinate) to the monarch of Britain, King George III, and were now united, free, and independent states. The Congress voted to approve independence by passing the Lee Resolution on July 2 and adopted the Declaration of Independence two days later, on July 4. Independence Day is commonly associated with fireworks, parades, barbecues, carnivals, fairs, picnics, concerts, baseball games, family reunions, political speeches, and ceremonies, in addition to various other public and private events celebrating the history, government, and traditions of the United States. Independence Day is the national day of the United States.

All Town Offices will be closed Sat., July 1 thru Tues., July 4 in recognition of Independence Day. The Court Office will be closed July 3 thru 7, 2023  
*Effective July 1, 2023 the Town Clerk's Office will have no Saturday office hours thru August 31, 2023.*

# CLARENDON TOWN BOARD

## Meeting Highlights - July 2023

### HIGHWAY/WATER DEPARTMENT REPORT

Superintendent Tracy Chalker reported working on water shut-offs after last billing and routine water maintenance. Big O has hooked into the public water with a 2" tap and a fire hydrant at 3753 Holley Byron Road has been replaced. There was one burial this month at Hillside Cemetery and the department continues to mow town properties. Lawn restoration from winter plowing is finished. Residents are using the town park a lot this year. The crew spent 2 ½ days working in the cemetery just prior to Memorial Day. Work share program has been projects with towns of Barre, Shelby and Byron and the Village of Holley. The fuel tanks at the highway garage have been painted. Tree stumps have been cleaned up at the cemetery and town hall. Superintendent Chalker reported that bulk tire disposal will most likely be handled by the county again this year. Bids to wrap the water tower pump-house in metal were requested from five companies; two were received. Tim Gregoire of Hinds Road in Clarendon bid \$9700 and the Amish bid from Willow Run Construction in Lyndonville came in at \$4400. ARPA money will be used for this project. Kevin Johnson explained that the Amish typically have assurance, where the rest of their community will back them up if something goes wrong. Not insurance. Superintendent will ask. The Board approved the Amish bid of \$4400 contingent upon a current certificate of insurance being submitted. Superintendent Chalker explained the low level in our water tank on Memorial Day; that Monroe County installed a transmission line to LeRoy and when running in full force, it pulls water out of our tank at an alarming rate. It is balanced out now. Superintendent had opened our line from Barre to keep our tank at an acceptable level for approximately one and a half weeks. Superintendent confirmed that all the big trucks have kill switches on them, but pick-up trucks do not; NYMIR will be contacted to see if it's required on the pick-up trucks.

### PLANNING BOARD REPORT

Chairman Dave Griggs reported that the Planning Board had no meeting last month.

### HISTORIAN/HISTORICAL SOCIETY REPORT

Historian Melissa Ierlan reported that the Historical Society will meet tomorrow; that programs have been scheduled for July and August. Historian is working on one for September.

### SUPERVISOR REPORT

In regard to the proposed District Court, Supervisor Richard Moy questioned Legislator Eick about procedure to place a referendum on the election ballot. Legislator Eick did not know the specifics; that the issue hasn't gone that far yet. At the next Association of Municipalities meeting, District Attorney Cardone will be there to speak about the District Court. Legislator Eick confirmed that he thinks a District Court would be a good thing; that it will be mandated someday. When he was on the Shelby Town Board, courts on the west end of the county were combined. Supervisor stated that the town courts will still be in operation as well; that he can't think of one good reason to have a District Court. Legislator Eick explained that some of the large issues that the towns handle now would go to the county instead. Cost was said to be a lot. Legislator Eick said that State funds and grant money will fund the District Court; Supervisor commented that the State has already taken funds away; what happens when that funding is gone?

### CORRESPONDENCE

Supervisor Moy read aloud the News Release reporting that the Clarendon Highway Department has been awarded a full work zone package from New York State. Superintendent Chalker was commended for doing a good job with the application for award. The Town of Huntington has adopted a resolution requesting the State Legislature and Governor enact legislation to allow for a voter's identification process; Clarendon has done the same. The County Legislature sent a copy of its adopted Resolution authorizing distribution of Mortgage Tax Receipts to the towns and villages received between October 1, 2022 through March 31, 2023. Also received was a check for Clarendon's share in the amount of \$15,462.88.

### NEW BUSINESS

The Town Board did authorize an employee option for Roth IRA contributions for those contributing to the Deferred Compensation Plan. Discussion was held regarding the Joint Youth Recreation Commission and programs. Clarendon's representative is moving out of town and declined the January appointment. Highway Superintendent Chalker has a couple people in mind that would be good for the position and will contact them. A meeting of the Joint Youth Commission has been scheduled for June 22, 2023 at 3PM at the Village of Holley Offices. Councilman Allen Robinson will be the town representative and attend the meeting until someone can be found to fill the position.

**GREETINGS TO ALL.** I hope everyone is having a great summer so far. Since more and more seniors are texting and tweeting, there appears to be a need for a *STC (Senior Texting Code)*! If you qualify for senior discounts, this is the code for you. **ATD** – At the Doctors. **BTW** – Bring the Wheelchair. **BYOT** – Bring Your Own Teeth. **CGU** – Can’t Get Up. **DWI** – Driving while Incontinent. **FWIW** – Forgot Where I Was. **GGPBL** – Gotta Go, Pacemaker Battery Low. **LOL** – Living on Lipitor. **OMSG** – Oh My, Sorry, Gas. **WTP** – Where’s The Prunes? **GGLKI** – Gotta Go, Laxative Kicking In. *I figured out why I’m fat. The shampoo I use in the shower runs down my body. It says ‘for extra volume and body’. I’m going to start using Dawn dish soap. It says ‘dissolves fat that is otherwise difficult to remove’.* The very first doctor of Dermatology had to start from scratch. *An old guy (not in the best of shape) was working out in the gym when he spotted a sweet young lady. He asked the trainer that was standing near by, “What machine in here should I use to impress that sweet young lady over there?” The trainer looked him up and down and said, “I would try the ATM in the lobby!”* Walter Lippmann wrote: When all men think alike, no one thinks very much.

They’re all mediums. *Two vampires walk into a bar. One orders a blood, the other a plasma. “Hey” the waitress yells to the bartender, “I need a blood and a blood light.”* “Daddy, do all fairytales begin with the words ‘Once upon a time’?” a little girl asked. “No” he replied. “A whole lot of them begin with the words ‘If elected, I promise’?” Orville Wright to brother Wilbur: *“This time, you fly the plane and let me do the stewardess interviews!”* Memory: What tells a man that his wife’s birthday was yesterday. Concert: A musical program where performers ruin all the songs you enjoyed on the radio. Bore: A man, who when you ask him how he is, he tells you.

*Many years ago I put the following in my article. It was sent to me by a friend and I thought well worth repeating. A letter written to an insurance company:* Dear Sirs: I am writing this letter in response to your request for additional information in block #3 of the accident report form. I listed ‘poor planning’ as the cause of my accident. Your letter requested that I explain more fully. I trust the following details will be sufficient. I am a brick layer by trade. On the day the accident occurred, I was working alone on the roof of a new six-story building. It is my habit when I complete a job, to carry any extra bricks down by hand. I discovered there were about 350 pounds of bricks left over, so I decided to lower them in a barrel by using a pulley which fortunately was attached to the side of the building. Securing the rope at ground level, I went up to the roof and swung the barrel out and loaded it with the bricks. Then I descended to the ground and untied the rope, holding tightly to insure a slow descent of the bricks. You will note in block #11 of the form that my weight is 160 pounds. Being jerked off the ground so suddenly caused me to lose all presence of mind and I forgot to let go of the rope. Needless to say, I proceeded at a very rapid rate up the side of the building. In the vicinity of the third floor, I met the barrel which was now plummeting in a downward direction at an equally impressive speed. This explains the skull fracture, abrasions and broken collar bone which were listed in section #12 on the form. Slowed only slightly, I continued my rapid ascent not stopping until the fingers of my right hand were two knuckles deep in the above-mentioned pulley. Fortunately, this time I had regained my composure and was able to hold tightly to the rope in spite of the excruciating pain I was beginning to experience. At the same time however, the barrel of bricks hit the ground and the bottom broke out of the barrel. Now devoid of the weight of the bricks, the barrel weighed about 45 pounds. As you might imagine remembering my weight, I began a swift descent down the side of the building. On the third floor, I again encountered the barrel. The fractured ankles, lacerations and broken tooth occurred at that point. Here my luck began to change slightly as the collision seemed to slow me enough to lessen my injuries when I fell into the pile of bricks. Fortunately, only three vertebrae were cracked. However, as I lay on the bricks in pain, unable to move, watching the empty barrel six stories above me, I inadvertently let go of the rope. Sincerely,

## Love Shared

by: Catherine Janssen Irwin

Love shared is a sweet adventure  
That can last our whole lives through;  
Seeing us past the hard times,  
Making hopes and dreams come true.  
Love shared enhances blessings  
That are sent from God above,  
And we assure a bright tomorrow  
As we fill each day with love.

That’s All Folks! Have a great month! **God Bless,**

## Hillside Sketches

### George D. Cramer

George was born in 1827 in Dutchess County, NY. He was 24 years old when he came to Clarendon in 1851.

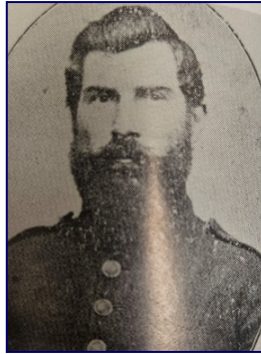

George was a blacksmith by profession. He married his wife Susanna and they had one child named Charles.

George entered military service in Clarendon and became part of the Company G, 151<sup>st</sup> Regiment. George was put in charge of that company's wagon train. The wagon trains carried supplies, food and ammunition and were horse drawn so it was only logical that George being a blacksmith was put in charge.

After he returned from the Civil War, George set up a blacksmith shop in the Honest Hill area of Clarendon.

George was a trustee of the Clarendon Universalist Church and was involved in other community affairs such as an election inspector. He was the captain of the veteran's organization which was formed in the 1880's.

George died in 1910 at age 83 and was buried in Hillside Cemetery.

## DEC Officer rescues Injured Owl

Vern Fonda, an environmental conservation police officer, holds a Great Horned Owl that was injured. The owl was in a quarry in Clarendon owned by Heidelberg Materials, Aggregates and Concrete (the former Hanson Aggregates site).

Quarry workers called the Department of Environmental Conservation to report there was an injured owl in quarry.

The owl was skittish of Fonda and quarry workers and was hiding in a crevice of the quarry. Fonda tossed a T-shirt at the owl, and the bird then clutched that shirt with its talons. Fonda picked the owl up using leather gloves. He put the bird in a cardboard box with ventilation. The owl was docile once in the dark cardboard box. The Great Horned Owls are nocturnal. This owl was probably disoriented from being out in the bright sunshine, Fonda said. He then took the owl to Robert Humbert, a wildlife rehabilitator in Wolcottsville. Fonda speculated the owl was hunting for mice and likely flew into a stone wall, injuring a wing. Or it may have hit its head and was concussed. Fonda met the quarry workers from the South Holley Road entrance to the quarry. Fonda said he expects the owl will be released by the wildlife rehabilitator after regaining strength. The rehabilitator has enclosures and will feed the owl while it recovers, Fonda said.

*When I get to Paradise . . .*

By Eric Weatherbee      copyright 2023

When I get to Paradise, I'll know my race is run,  
I'll pass through those heavenly gates, Into that land of forever sun.  
And they'll all be there to greet me, those special folks I hold so dear,  
We'll reunite under that sun so bright, and we'll hug and laugh and cry those joyful tears!

And then I'll journey onward, throughout this heavenly place,  
I'll walk the fields and streams I knew as a child, A smile upon my face.  
I'll stroll along through emerald meadows, where contented cows graze their fill,  
I'll rest beside the old mill pond, where wood ducks drift, upon the waters oh so still!

And then I'll venture on again, some vague destination within my mind,  
And as I gaze upon the far horizon, I ponder, "What will I find?"  
I'll walk among the forested hills, where pine scent fills the air,  
I'll place my feet upon the fresh tilled earth, and know that soon I will be there!

And now as I hurry along those endless furrows, my eyes fill up with tears,  
And as I crest the hill beyond the woods, I'll return to that special place that I call home,  
Where I dwelled throughout my mortal years.

The old homestead still looks the same, and however humble it will suffice,  
And here I'll spend eternity, . . . When I get to Paradise!

## Clarendon Lions Club

Thank you all for your continued support of our annual Geranium Sale. We hope you enjoy the selection we offered. The colors we expected were not necessarily the colors we got. We try to keep our vendors local and sometimes they don't end up with what was expected. They were quite laden with buds this year. As always, we appreciate your business!

The club breaks for summer after our June Officer Installation dinner. That was held at the recently reopened Holley Falls Bar and Grill. We may be having a sausage sale in the hamlet before we start up again in September. Keep your eyes on the Gazette to see details!

July begins our *Oak Orchard Neighborhood Association* concert month at the marina. Come and get a sausage or burger and enjoy the music!!
