at Church St., Clarendon

A free presentation.

### **INFLUENZA**

Begins with Headache  
Chilly Sensations and Fever  
When uncomplicated it is not a  
serious disease and fever goes down  
in two or three days.

**If fever persists or returns  
it probably means a most  
serious PNEUMONIA.**

When first taken sick, patients must  
be put to bed in a room by themselves  
and must not get up for anything.

**Send for a doctor right away.**

We urgently advise patients to go to  
a hospital in the early stage.

## ***FLU! One Hundred Years Ago***

The Clarendon Historical Society invites you to hear **Daniel D. Cody, M.A.** present **The 1918 Influenza Epidemic** on **Wednesday, July 18 at 7:00 PM.**

In the fall of 1918 the Great War was coming to an end. However, another war was just starting. This was the war against Influenza, an epidemic that killed millions worldwide in just a few short months. Rochester was not immune from the ravages of influenza. This presentation explores how Rochester dealt with the epidemic they knew was coming and would be deadly.

**Daniel D. Cody** is employed as Collections Manager and Registrar for the Rochester Historical Society. He is also an adjunct lecturer of American History at the Finger Lakes Community College.

The program will take place at the Clarendon Historical Society which is located at 16426 Fourth Section Road, Holley, NY at the intersection of Route 31A and Church Street in Clarendon. The presentations are free and open to the public, so bring a friend! Light refreshments will be served.

*Remember: The Museum will be open from 5:00-7:00 PM on the days we have programming (the 3rd Wednesday of the month beginning in April and going through October.)*

*Hillside  
Cemetery*

**Take A Walk!**

While you enjoy the summer weather, why not get out and learn a little more about our town? On the north side of the utility building in Hillside Cemetery you will find a flyer that describes a walking tour of the cemetery. It will guide you to fifteen places in the cemetery and tell you about these highlights. You will learn about interesting past citizens including a Prisoner of War, a survivor and two victims of the Titanic, a beloved Doctor and a world famous taxidermist. You will also learn about some of the styles and symbolism of grave markers. As you walk, take the time to admire the many beautiful stones with interesting shapes and lovely engraving. Enjoy the cooling shade of the mature trees. An observant stroll through Hillside is a delightful way to enjoy the weather.

**\*\* Donations Welcome \*\***

This month was quite successful with our selling of hot dogs, hamburgers, sausages, ice cream etc. at the Holley June Festival on June 2nd, and our Annual Sausage Sale at Crosby's, Clarendon on June 15<sup>th</sup>. On June 29<sup>th</sup>, we assisted in making and serving lunch at Camp Abilities (Brockport State College), a week long sports event for disabled children. The "Little Free Pantry" box is Clarendon Lions Club's recent project. We installed our "Little Free Pantry" at the Clarendon Town Hall on Church Street. The Pantry is for all our neighbors who require food and personal items, on short term, to get them by when times are tough. The Club asks Town Folks to donate non-perishable foods, such as boxed and canned goods (cereal, crackers, pasta, soup, vegetables, etc.), diapers, laundry soap and other non-perishable items.

Kevin Johnson, president of the Clarendon Lions Club, says "sometimes folks just need a little something to get them by. The Little Free Pantry box is a way for folks from the community to help each other...by the community, for the community! If the box is empty; it is because someone needed it... if it is full; it is because someone donated. Please feel free to "TAKE WHAT YOU NEED OR GIVE WHAT YOU CAN" at the Little Free Pantry in Clarendon.

Thank you for your support,  
Lion Roger Boynton

Geary (Moose) Shenck

July

GREETINGS EVERYONE! Well, the time is here again when you have to search the whole article to see if you can find something worthwhile. "Good Luck!" *So you mean to tell me a stress ball isn't for throwing at people who stress you out?* I need to get in shape. If I was murdered right now, my chalk outline would be a circle. *"Honey, I can never say I love you enough. "Well, you can say it now." "Okay, I love you enough."* Things overheard in a tattoo parlor: "Eagle, I thought you said Beagle." "There are two O's in Bob, right?" "I hate it when I get the hiccups." *An ant is a small insect that though always at work, still finds time to go to picnics.* A man approaches the Gates of Heaven and asks to be allowed to enter. "Tell me one good thing you did in your life" says St. Peter. "Well" says the man, "I saw a group of punks harassing an elderly lady, so I ran up and kicked their leader in the shins." St. Peter is impressed. "When did this happen?" "About forty seconds ago." *When the last census was taken, a census taker stopped at the Swanger house and proceeded to ask Mrs. Swanger questions pertaining to the census. When he asked her age, she said, "I'm not telling you my age!" He said "I have to put something down." She asked, "Did the Hill twins tell you their age?" "Yes, they did." "Well, I'm the same age as them." So he put on the census report 'Brenda Swanger is as old as the Hills.'* I bet on a great horse yesterday. It took seven horses to beat him. *I wish there was a button on the T.V. that would turn up the intelligence. They've got one called brightness, but it doesn't work, does it?*

## THIS MONTH'S RIDDLES:

1. What do you call a fish with no eye?
2. What do you call an alligator that's a detective?
3. Why did the pig cross the road?
4. What do you give an angel to cure its flu?
5. What do you call someone who paints flowers?

*We called both our cats Socks. We had two, but lost one in the dryer.* Carrots are a great thing to eat when you are hungry and want to stay that way. *April 1<sup>st</sup> is the day upon which we are reminded of what we are the other 364.* Save money by just buying bigger pants instead of paying a one year gym membership. *One turkey said to another turkey when they saw the pilgrims, "They look nice. Maybe they'll have us over for dinner."* My wife bought a treadmill so she'd have one more thing to put her laundry on. *A teacher was giving a young student a mental maturity test. One image showed an incomplete stick figure that was missing an arm and a leg. The teacher asked, "What does he need?" The student said, "A wheel chair!"*

The other day my dog ate all the scrabble pieces. Since then, he's been leaving little messages all over the house for me. *Tom: Why so glum today? Greg: Just thinking about getting older and all the people I've lost along the way. Tom: Maybe a career as a tour guide wasn't for you.* New bride: I made this pudding all by myself. Hubby: Splendid, but who helped you lift it out of the oven? *Someone asked my wife if I was a bookworm. She said, "No. Just an ordinary one."* Worry is the interest you pay on trouble before it comes. *I saw an ad, "Lost: three-legged dog, tail cut off, one ear missing, raggedy hair, deaf, blind, castrated. Answers to the name Lucky."* My wife found a twenty dollar bill in my pants pocket after she washed and dried them. I had to turn her in to the authorities for money laundering. *I finally realized that I needed to get in shape, so I made plans to join a club and work-out for one full year. The year I picked is 2024.* Arguing with a lawyer is like wrestling a pig in mud. Sooner or later you realize that they like it. *Summer is the time of year when parents realize just how grossly under-paid teachers actually are.* Never play leapfrog with a unicorn. *I finally realized whey the call it a remote. Because most of the time, I haven't the remotest idea where it is!*

## Never Borrow Sorrow from Tomorrow By Helen Steiner Rice

*Deal only with the present  
Never step into tomorrow  
For God asks us just to trust him  
And to never borrow sorrow.  
For the future is not ours to know  
And it may never be  
So let us live and give out best  
And give it lavishly  
For to meet tomorrow's troubles  
Before they are even ours  
Is to anticipate the savior  
And to doubt his all-wise powers.  
So let us be content to solve  
Our problems one by one  
Asking nothing of tomorrow  
Except "They Will Be Done"*

*That's all folks. Have a great month!  
Adios and God Bless ~ Geary (Moose) Shenck*

## CLARENDON TOWN BOARD - Meeting Highlights June 2018

### OPEN END

County Legislator E. John DeFilipps informed the Board that the Legislature can't entertain the rock purchase until they get approval from FEMA for the money.

### HIGHWAY/WATER DEPARTMENT REPORT

Superintendent Larry Swanger reported that the Village of Holley helped with its bucket truck in Hillside Cemetery. Ten trees have been removed; five were in the village electric lines. The first roadside mowing is complete. The Highway crew has been helping other towns with paving and there were two burials this past month. There is a service line water leak on Route 31A; approximately 1 ½ million gallons lost. A contractor is coming to put a new line under the road; it will be PVC. This is the third one in a row to leak. The hot soil wears holes in the copper pipe. There have been 10 leaks in the Hamlet over the last 13 years. Most towns having water problems are using PVC to fix them.

### PLANNING BOARD REPORT

Chairman Dave Griggs submitted the following written report:

#### 05-22-2018 (Regular meeting)

Meeting cancelled for lack of agenda items.

#### 06-12-2018 (Regular Meeting)

\* **SD 18-11** Gary Germeo, 4318 S. Fancher Road. Pre-conference for a one (1) lot subdivision, tax id #97.-2-1.1. Application on file, fee paid, Pins have been set. No issues were noted. The applicant requested in writing to wave pre-conference and proceed to formal application. A motion was made, seconded and approved to change the agenda from a pre-conference to a formal. A motion was made, seconded and approved to classify this subdivision as a minor subdivision for SEQRA purposes. A motion was made, seconded and approved to grant the one (1) lot subdivision contingent upon creation of deeds and filing with the County.

### SUPERVISOR REPORT

Supervisor Moy reported all the street lights have been converted to LED. They look nice.

### CORRESPONDENCE

The Town has received the lease agreement payment from Nick Penna to farm Hillside Property. NYSDOT has sent notice of \$100 million in available funding. NYS Taxation and finance has sent notice that the tentative equalization rate is 100%. Payment of Orleans County Mortgage Tax Apportionment from October 1, 2017 through March 30, 2018 was received in the amount of \$16,306.76. MVP has sent notice of requested 6.44% premium rate increase for health care from the NYS Department of Financial Services.

### OLD BUSINESS

Supervisor Moy and Councilman Robinson attended the Murray Town Board meeting to request monetary payment toward the painting of the water tower. The Town of Murray gets its water pressure through the Clarendon tower. A letter will be sent for Murray's contemplation when an amount is figured. The Town Board adopted a resolution consenting to assign Chatfield Engineers contracts to MRB Group; the companies are merging. A letter will be sent to the Town of Barre regarding renewal of our emergency water agreement with Barre. The Board put a hold on Charter Communications draft franchise agreement. Supervisor Moy has written a letter to Monroe County Water Authority in response to their proposed retail lease agreement; MCWA has not yet responded.

### NEW BUSINESS

The Board scheduled a workshop meeting to review sections of the zoning ordinance. The Board adopted resolutions authorizing an amendment to the Snow & Ice Agreement with NYS and to support legislation to increase financial resources to veterans' agencies. The Board approved the final payment for masonry exterior work on the Chapel at Hillside Cemetery.

**A Workshop Meeting was held** and zoning items discussed. The Board was in agreement to leave Seasonal Dwelling Permits out of the ordinance; in agreement to allow the increase of lot size of a non-conforming lot and to allow accessory structures on vacant lots without a residence, specifying that it be non-habitable, for personal use only and must comply with NYS Property Maintenance Code. Planning Chairman Griggs will prepare draft language for the next Town Board meeting.

## **Brian Bartalo named Holley School Superintendent**

The Holley Board of Education has selected Brian Bartalo as the next superintendent of the Holley Central School District pending formal appointment to the position at the next Board of Education meeting on June 18, 2018. He will assume his new role July 16, 2018.

"Throughout the rigorous search process, Brian demonstrated an ability to connect with students, staff and community members," said Board President Brenda Swanger. "His long experience and track record of success make him the ideal leader to move our district forward." Bartalo is currently the principal and International Baccalaureate Head of School at Hilton High School, a post he has held since 2005. From 1999 until 2005, Bartalo was an assistant principal at Hilton HS. Prior to that, he served for one year as the dean of students at Hilton HS. In 1988, Bartalo began his teaching career as a special education teacher at Merton Williams Middle School in the Hilton Central School District, where he taught and coached until 1998. "The Holley community has been very welcoming to me through this search process," said Bartalo.
