## CLARENDON TOWN BOARD

### Meeting Highlights - August 2020

The Town Board held a workshop meeting prior to the regular meeting to review comments from the 7/21/2020 Public Hearing regarding proposed zoning amendments. It was determined that fencing requirements for solar projects would be changed from 7 to 8 feet, that the maintenance plan for utility solar will say shall instead of should in relation to taking steps to insure proper maintenance, a typing correction will be made to read \$10,000,000 in regard to the Self-Liability Insurance and in the Battery Energy Storage Systems draft, correction will be made to reference Tier 2 System; Tier 3 systems are no longer allowed.

#### HIGHWAY/WATER DEPARTMENT REPORT -

Superintendent Tracy Chalker reported that the highway crew has rebuilt road edges and filled in potholes. Church Street, Powers Drive and Brown Schoolhouse Road between Upper Holley Road and NYS Route 237 were chip sealed, as well as Ladue Road. Tomorrow Bennetts Corners Road from NYS Route 31A north to the railroad tracks will be chip sealed also. The crew has been mowing town properties and the second roadside mowing is 1/3 complete. The highway department has been doing tree work and Cheyane Palmer has been painting the fire hydrants. The crew has been working with Holley and Barre in the shared work program. Pete Surowy fixed the fascia on the Town Hall. Superintendent Chalker reported that he's looking to work with Holley on purchasing cement for the town hall sidewalk; to purchase the small amount needed on our own, it would be too expensive. The Village of Holley is purchasing large amounts for its own sidewalk project. Superintendent Chalker reported that the highway garage electric bill is high because the town is paying for an energy program from 2019 when all lights were converted to LED. Last payment for that program should be November 2020. Monday, Superintendent Chalker intends to meet with Rich Wainwright to discuss specs for a pickup truck and a replacement ten-wheeler.

#### HISTORIAN/HISTORICAL SOCIETY REPORT -

Historian Melissa Ierlan submitted the following written report: I was asked to the cobblestone museum on July 31<sup>st</sup> to do a video with Bill Lattin on the Akeley Fox. They are trying to find alternative ways to keep people interested in the museum during the pandemic. It can be seen online at <https://www.facebook.com/thecobblestonemuseum/videos/755767688329853/%3Cbr>. I am working again this year on a project with Tim Archer at the Albion Middle School. We will be restoring 3 historical markers located in Orleans County. I will strip off the paint and prime them, his class will repaint the blue and I will finish up and do the lettering. I have done several look ups on homes for people living in Clarendon. One of these included a trip to the Glidden Road Cemetery where I cleaned four headstones. I was showing a resident how it is done. I have been asked to speak twice at the Daughters of the American Revolution (DAR) in Albion. One talk is on Lemuel Cook for the local chapter and the other is a talk on how we were able to obtain a replacement headstone for Thomas Brintnal, a Revolutionary War Vet buried in Maplewood Cemetery, and the process which is used to properly clean headstones. We have obtained several historical items from local residents. A collection of magazines in which some locals were featured and historical books owned by a pioneer family in Clarendon as well as a few other items from the same family. I am working with A.J. Dreschel as he completes a project at the CHS for his Eagle Scout Rank.

#### SUPERVISOR REPORT -

Supervisor Dick Moy reported that when our employee was hurt in the cemetery, it caused the town of have to pay a \$300,000 insurance bill. It will be paid over the next three years. Supervisor Moy took the new Assessor, Bob Criddle, on a tour of the town. Both were impressed as most of the properties are in good shape. The three migrant homes by Torrey Farms are very clean and kept.

#### CORRESPONDENCE -

The NYSDOT sent a request for comment on its current procedures for consultation with public officials. Supervisor Moy will respond. The Town has received \$336.51 revenue for first quarter in 2020 of the Traffic Diversion Program from the county. The Town has received a copy of the letter that 'Clear Skies Above Barre, Inc.' has written to the County Planning Board in regard to the town's proposed zoning amendment updating wind energy zoning ordinance. Williamson Law has sent notice that there will be no increase in the annual software support for 2021. Excelsior Energy has sent an update document on its proposed solar facility to be located in the Town of Byron. Orleans County Self Insurance has sent apportionment of assessments for 2021. Supervisor reported that last year the cost for Clarendon was \$32,446. Over the next three years, Clarendon will pay \$93,226 each year. The Association of Towns has sent notice of 2021 membership dues; Clarendon will pay \$1000.

### CLARENDON LIONS CLUB

We had our meeting on Wednesday, August 12<sup>th</sup>, with a brown bag dinner at 6:30 PM, followed by our meeting at 7:00 PM, at the Clarendon Methodist Church. We held the meeting outside, all being at least 6 foot apart (social distance), on a nice summer night. Our speaker was this year's (2020-2021) new Lions District Governor, Mike Donner, from the Chili Lions Club. He informed us of the different fund raisers taking place in our district (20E1), what other clubs are under taking and of the activities of Lions International. The primary district activity being the "Magic Yarn Project". This project involves the making of homespun wigs (beanies) for little cancer fighters that, very often, chemotherapy treatments leave their scalps too sensitive for traditional wigs. These beanies provide a warm and soft wig for these brave children and are designed in the form of princes, pirates and other super-heroes. He added, that the district had prepared a luncheon for RTS workers. 700 lunches were prepared for these essential workers. Our next monthly meetings (weather permitting) will be held on September 9<sup>th</sup> and 23<sup>rd</sup> outside under the pine trees on the North side of the Clarendon Methodist Church, with a brown bag dinner at 6:30 PM, meeting at 7:00 PM, followed by good fellowship. Contact Lion Kevin Johnson (638-5230), if you would like to attend.

Our 911 Sign Fund Raiser is a blue metal sign, with white reflective numbers, indicating your house number, which can be installed at the entrance to your driveway, making it easy for emergency services to locate your residence. We will install it, for a small additional cost. An order can be placed by contacting Lion Kevin Johnson by phone at 585-638-5230.

Our "Little Free Pantry" located at the east end of the Town of Clarendon Office parking lot, on Church Street, is for those in need of short-term food help. Especially now, we need your continued support, to replenish the pantry with non-perishable foods, such as boxed items (cereal, crackers, pasta, etc.), diapers, laundry soap and other non-perishable items.

If you would like to join our organization, please contact Lion Tom Persia at 638-5750.

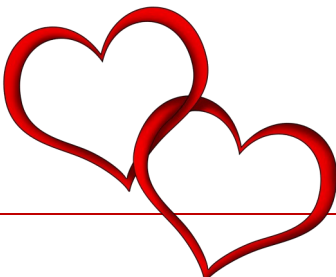

Take Care and Stay in Good Health,  
Lion Roger Boynton

## Town Board Meeting Highlights *Continued from Page 2*

### OLD BUSINESS -

Supervisor has spoken with Cindi Davis. As long as the number of COVID cases doesn't increase, she intends to start work on the Comprehensive Plan the third week in September. Supervisor Moy will check on the items discussed at the workshop meeting in regard to the zoning amendments. Supervisor will contact Sweden to see how its public hearing regarding vacant structures was. The Town Board needs to look at the level of fines for Clarendon; for the September agenda.

### NEW BUSINESS -

The Town Board adopted a Resolution to use the new/updated New York State Records Retention & Disposition Schedule LGS-01. This schedule contains the legal minimum retention periods of local government records to be used in disposing of records no longer of value. The Board renewed its agreement with Municipal Solutions for its Continuing Disclosure Updates and EMMA Filings. The Board scheduled a special meeting for presenting the 2021 Tentative Budget to the Town Board (*see notice on front page*).

## TID BITS

Geary (Moose) Shenck

Greetings to each and everyone who has the courage to read on. *Many people do not leave their footprints on the sands of time, but they leave their skid marks at the traffic intersections.* When a wife explores a man's pockets she generally gets what the average explorer does. Enough material for a lecture. *I knew a boy once. He made a nickel go so far the buffalo got sore feet.* Some amusing definitions: Canoe: An object that acts like a small boy – it behaves better when paddled from the rear. Conscience: The sixth sense that comes to our aid when we are about to get caught. Cold feet: The ailment you get when you know what the consequences are going to be. Crooked dough: Something handled by counterfeiters and pretzel manufacturers. Blotter: A porous substance you spend your time looking for while your ink is drying. Fatalist: A person who jumps just as far as the rest of us when a car honks in his ear. Acoustic: What you use when you shoot pool. A theory: A hunch with a college education. *Celibacy can be a choice in life or a condition imposed by circumstances. While attending a marriage weekend, Greg and his wife listened to the instructor declare, "It is essential that husbands and wives know the things that are important to each other." He then addressed the men, "Can you name and describe your wife's favorite flower?" Greg leaned over and touched his wife's arm gently and whispered, "Gold Medal, All Purpose isn't it?" And thus began Greg's life of celibacy.* Bus passenger: Hi! I'm vacationing in your town. Does this bus stop at Elm St?" Fellow passenger: Yes, it does. Just watch me and get off one stop before I do.

### THIS MONTH'S RIDDLES

1. Why was the ghost arrested?
2. What is the tallest building in the world?
3. What do you own that's easiest to part with?
4. Why did twenty-eight men suddenly walk out of a restaurant?
5. What do you call a hamburger bun on a rocking chair?

*I advise you all not to go camping where the manager of the campgrounds tells you she makes most of her money selling snake bite medicine.* First moron: Your girlfriend was sailing on vacation and fell into shark infested water? Second moron: That's right and the sharks didn't bother her. First moron: Why not? Second moron: They were man eating sharks. *The good Father told his congregation, "Next Sunday I propose to give a sermon about liars. I suggest that before then you all read chapter seventeen of St. Mark's gospel. The following Sunday the priest began, "Will all those who read chapter seventeen of St. Mark's gospel please raise their hands." Every hand in the congregation shot up. Observed the priest, "There happens to be only sixteen chapters in St. Mark's gospel. I will now give my sermon on liars."* August is the month you can't open the car window you couldn't close in February. *A bachelor is a man who has faults he doesn't know about yet.* A committee is the unwilling recruited from the unfit to do the unnecessary. *"What do you do for a living?" asked the judge. "I'm night orderly at the hospital," lied the prisoner. "Thirty days for panhandling," said the judge.*

Theme song at the old age home for nearsighted citizens: *I've Lost My Glasses So I Wonder Who's Kissing Me Now. Rod bought his wife a piano for Christmas but by Valentine's Day had persuaded her to switch to a clarinet. "How come?" I asked. "Well when she's playing the clarinet she can't sing."* A desperate man sought an analyst. "I've developed a phobia," he reported. "It's ruining my business. Crowds make me violently ill." "What's your business?" asked the analyst. "The patient said, "I'm a pick pocket." *Two motorists going in opposite directions met on a bridge too narrow for two cars to pass. "I never back up for an idiot!" yelled one driver. As the other driver shifted to reverse he yelled, "That's all right, I always do."* The only exercise some people get is jumping at conclusions, running down their friends, side stepping responsibility and pushing their luck. *Boss to exiting secretary: I want you to know that when the little bell on your typewriter rings it doesn't mean it's time for a coffee break.* A dandelion is another thing which if given as little as an inch, will take a yard. *A Great Dane is the kind of puppy that has the house broken before he is.* A drowning man yelled, "Throw me a lifesaver." A bystander asked, "What flavor?" *I met a man who said, "I used to work with two thousand men under me." I said, "Really?" He said, "Yes, I used to cut the grass at the cemetery."* There was a cheap guy who bought his wife a mink outfit for her birthday – two steel traps and a shotgun.

Tis a little journey this we walk  
Hardly time for murmurs, time for talk  
Yet we learn to quarrel, learn to hate  
Afterward regret it when it's too late  
Now and then tis sunshine sometimes dark  
Sometimes care and sorrow leave their mark  
Yet we walk the pathway side by side  
Where so many others have lived and dies  
We can see the moral, we can understand  
Yet we walk not always hand in hand  
Why must there be hatred, greed and strife  
Do we need such shadows here in our life?

*Author unknown*

That's all folks. Take Care. God Bless.  
**Geary 'Moose' Shenck**

*P.S. Sorry, I wrote this very slow.  
I hope it doesn't take you all too long to read it!*

## Hillside Cemetery

**William H. Inman** was born in June 1842 and was raised with 7 siblings in Clarendon, NY. His father was a farmer. I have written about Mr. Inman before but this time I have other information to share. I was recently given some old documents by John Campbell of Rochester and among them were two documents relating to William.

The first document is one notifying William of his being enrolled as liable to do Military duty in the Orleans Regimental District, dated June 24, 1864.

The second document is form 303, certificate of exemption on account of having furnished a substitute for a period of three years, dated September 28, 1864. There was a fair amount of men from Clarendon that served in the military during the Civil War. Only one other person I know of furnished a substitute and consequently the family was practically destitute because the man lived to be paid a sum of \$1,000. That money today would be \$16,500!

William married Eva May Allen of Clarendon on June 29, 1904, they never had any children. William spent his life farming in Clarendon.

In 1883 William served on the Orleans County Board of Supervisors as a Democrat. The board was comprised of seven Democrats and three Republicans. In 1911 William was named to the board of directors of the Holley State Exchange Bank. His brother Darwin was the president of the First National Bank of Vermilion, South Dakota. The Inman family were all very dedicated to education and they funded scholarships for individuals and set up scholarships at different universities. William gave money to provide books for a library in his Town of Clarendon. The library in the Holley Elementary School was named the William Inman Library.

In 1913 there was an article in the Holley Standard that described a massive sarcophagus of the finest Westerly granite was placed on the lot of William H. Inman. Today that monument is surrounded by many graves of relatives of William Inman.

On January 10, 1920 William died. The newspaper article that was printed said: ORLEANS' RICHEST MAN WILLS ENTIRE ESTATE TO CHARITY. After the will was contested and eventually settled, his heirs accepted small settlements and the rest distributed to many Rochester educational, religious and charitable institutions. The estate was worth \$1.5 million which would be almost \$20 million today.
