"Pursuant to the Federal Funding received for different water projects, the Town is required to report the gender of Head of Household and the Race/National Origin of household members for each application received for connection to the water distribution system. The following information is requested by the Federal Government in order to monitor compliance with Federal Laws prohibiting discrimination against applicants seeking to participate in this program. You are not required to furnish this information, but are encouraged to do so. This will not be used in evaluating your application or to discriminate against you in any way. However, if you choose not to furnish it, we are required to note the Race/National Origin of the individual applicants on the basis of visual observation or surname."
