In addition, applicant shall reimburse the Town for all direct costs, including but not limited to, legal, planning and/or engineering and consultant review of application.

Applicant shall reimburse the Town for all direct expenses incurred in review of proposed actions in accord with SEQR guidelines, including such expenses as may be incurred by the Town prior to the submission of the actual special permit or site plan application, where the Town has engaged in SEQR review of the proposal under the auspices of another lead agency.

The applicant shall reimburse such pre-application expenses to the Town at such time as an application is filed for special permit or site plan review.

* The Planning Board shall determine the amount required for the escrow account at the time of the application. Funds shall be used to cover direct costs, including but not limited to, legal, planning and/or engineering and consultant review incurred by the Planning Board. If funds are depleted, they shall be replenished by the applicant prior to final approval. Any unused funds shall be returned to the applicant after final approval has been granted.

ZONING BOARD

Variance Fees

\$100.00 plus applicant shall reimburse the Town for all direct costs, including Area Variance/Use Variance but not limited to legal, engineering and/or consultant review of application if deemed necessary.

TOWN BOARD
